SP&L Solar Explorers (SSE) is targeted to K-12 and career training institutions to inspire, encourage, and prepare school age kids for future career opportunities in technology and science oriented fields.

STEM IS AT THE HEART OF SP&L SOLAR EXPLORERS™

- ◇ Integrative Science Curriculum related to Renewable Energy
- ◇ Interactive Software Portal into the World of Renewable Energy
- ◇ Hands-on Experimentation Kits and Training Devices
- ◇ Access to STEM Professionals via SSE Mentoring and Lecture Series
- ◇ Pathway for High School Juniors and Seniors to SSE's Network of Post Secondary, Internship, and Scholarship Programs.

Pursuit of Great Jobs Start in School™
