

We are very pleased with the entire process that your company provided the Haddon Township School District.

From the planning stage to the installation it was seamless. We were kept well informed of the schedules for the installation and were notified well in advance prior to anyone showing up.

Everyone conducted themselves in a courteous and professional manner. Installation was on time and on budget. I would recommend your company without reservation. Thank you.

Sincerely,

Michael Moore, CEFM
Superintendent of Buildings and Grounds
